2016 Fall Leaf Collection Schedule

Manheim Township's Public Works Department will begin its annual leaf collection in October and continue through December, weather permitting.

The Township will no longer have weekly bag pickup on Township roadways. Leaves bagged in biodegradable bags may be placed curbside for pickup with your loose leaves. No plastic bags will be collected. The Township no longer has biodegradable bags available for purchase. Leaves should be raked into piles on the grass at the edge of the property. Leaves should not be raked into the street. It is important that leaves do not block storm inlets or fire hydrants. Leaves mixed with brush or other waste including grass clippings will not be collected.

Please refer to the schedule on the next page for dates and procedures. The schedule indicates the approximate dates when collection crews will be in your area. This schedule will vary as a result of weather conditions and the times that the leaves will actually begin to fall. **NOTE:** If the Township completes its collection schedule early on a particular day, they will begin collecting leaves on the streets scheduled for the next day. However, the Township will be by again on the scheduled day to collect any additional leaves. The Township will do its best to maintain this schedule. Your patience and understanding are appreciated!

Any questions can be directed to Wendy Herr at 569-6406, extension 1129.

STATE ROADWAY BAG PICK-UP

The Township offers weekly bag pickup service on state roadways on the dates listed below. Biodegradable bags are required. No plastic bags will be collected. State roadway residents may pick up biodegradable bags at the Municipal Office. There will be no loose leaf service on state roadways.
