Library Closed: Memorial Day			No Preschool Programs: Staff Preparation for Summer Reading Program			

Cooking & Conversation with Chef Jeff

Boomers and older adults, spend your morning with Lancaster Newspaper food columnist and Chef, Jeff Thal. Enjoy great conversation and learn to make a simple and tasty dish. Featured Dish - TBD

Monday, May 8 at 10:30 AM

Coder Dojo

Join the local Coder Dojo group! Coder Dojo is an international organization that offers computer programming clubs for kids. The Lancaster Coder Dojo is run by local professional computer programmers. You may bring your own tech device, or borrow a laptop during the session. Ages 7 -17. Adult participation welcome.

Tuesday, May 9 at 6:30 PM

Sewing Social for Adults & Teens

You are invited to join a collaborative project-in-process or bring your own needlework project. We'll have books, basic sewing/quilting tools and sewing machines. Share your projects and tips with others who enjoy the creative process.

Wednesdays, May 10 & 24 at 1:00 PM

Isaac's Community Night Fundraiser

On Thursday, May 18th, Isaac's Famous Grilled Sandwiches (Granite Run Square location) will hold a "Community Night" fundraiser to benefit MTPL. Help us raise needed funds to continue to support the community. Make it an evening out with family or friends! Pick-up your coupon at the library to take with you that evening.

Thursday, May 18 from 5:00 PM – 9:00 PM

Critter Encounter with the Lancaster Herpetology Society

If you have ever considered getting a pet amphibian or reptile, tonight's event is for you! Members of the Lancaster Herpetological Society will bring in their own pets to show. Most pets will be available to handle, and their owners will answer your questions about their pets and how to keep herps. (All ages) Each person attending must be registered for this free program.

Friday, May 19 at 7:00 PM

MAKE ME: Arduino

This month we will build circuits using Arduino – an open source electronics platform based on easy-to-use hardware and software. It's a great way to learn how to make interactive projects. This beginner program will also introduce electronic components and circuit building. If you are already participating in our coding programs (Coder Dojo, Hour of Code, Minecraft), and want to take it further, this is a great way to learn! Appropriate for ages 10+. In order to use our laptops, participants should have their own library accounts with digital permission or bring their own tech. Family members welcome to observe.

Wednesday, May 31 at 6:30 PM

LIBRARY CLOSED: Monday, May 29th in observance of Memorial Day

May News at the Tell Café

Flowers are blooming and bees are buzzing as we welcome in one of the most gorgeous months of the year. Now that you are no longer in hibernation, stop by the café and enjoy an invigorating Chai latte. Although there are thousands of chai recipes, the basic ingredients include black tea, cinnamon, ginger, clove, cardamom and black pepper, making it a spicy, pungent drink. The beverage is thought to have originated in India. Enjoy it with steamed milk or chilled over ice. If you like it sweet, stir in some of our honey or add one of our sweetened flavor shots.

A Living Will is not Enough: Making Your Wishes Known

If you became seriously ill and were unable to speak for yourself, would your family and health professionals know your wishes regarding medical treatment? If you were terminally ill and near death, is your family clear on whether you want to be resuscitated if your heart stopped beating? Would you want to be kept alive on life support if there was no hope for improvement? This program looks at why it is so important to answer these difficult questions and how to share your answers with others. We will discuss completing an advance directive using the "Five Wishes®" booklet as a guide to document your exact medical wishes. Please join us for this informative presentation by Hospice & Community Care.

Monday, May 15 at 6:00 PM

Cooks & Books at MTPL

MTPL's Cookbook Enthusiasts Group ~ Please bring a dish you've prepared from our selected cookbook – *Food Lab* by J. Kenji Lopez-Alt. Participants will be able to select their dish from the cookbook or from his website/blog called www.serious-eats.com. Discover new favorite dishes with our cookbook series. Each quarter, we'll be featuring one of our favorite cookbooks, followed by a potluck dinner comprised of dishes from the featured book. We offer three ways to get acquainted with our selection – go online, check out a copy at MTPL or purchase at your favorite book retailer. The library will have a copy at the Service Center for in-house use. Cookbook readers 14 years old and above are welcome. Event is free, but reservations are required. Call the library and we can assist in the registration if you are not familiar with registering through Eventbrite.

Monday, May 15 at 6:30 PM

When to Call Hospice: Comfort and Care

When is it time to call Hospice? How will they help my loved one? Can I receive Hospice care at home? Coping with a serious illness and facing end of life is one of life's most stressful moments. This presentation provides a comprehensive overview of the physical, emotional and spiritual comfort and care Hospice can provide to both patients and families to improve quality of life. This session addresses the array of services Hospice provides as well as the specifics of who can benefit from Hospice care, when Hospice should be called, where care is provided and how pain and other symptoms are proactively managed. Please join us for this informative program presented by Hospice & Community Care.

Saturday, May 20 at 10:00 AM
