Cooks & Books @ MTPL

MTPL's Cookbook Enthusiasts Group: For our next gathering, attendees will cook a recipe utilizing a Farmer's Market "find". Given that we live in an area where local produce and products are plentiful in August, please bring a dish to share using a local ingredient. Please bring a copy of the recipe and/or the cookbook as well. As a reminder, attendees should be 14 years of age or older. Each attendee is asked to bring a dish to share and a beverage and place setting for personal use. Event is free, but reservations are required. Please call the library at (717) 560-6441 and we can assist in the registration if you are not familiar with registering through the MTPL website.

MAKE ME: Screen Printing

This month we'll learn how to screen print fabric or paper using ordinary materials instead of an expensive kit. Your child will make a screen to use at home (ink not provided) and will use our sample screens to create prints on paper. If you would like to print on a prewashed t-shirt or tote bag you may bring one to the event. (10 & up) [Make Me Afternoon Session: "SLIME" on Wed., August 9 at 1:30 PM](#)

Wednesday, August 30 at 6:30 PM

[Tell Café Drink of the Month: August](#)

August brings to mind backyard BBQ's and picnics, and no drink quenches our thirst quite like an iced cold [Lemonade](#), our feature beverage for this hot and steamy month. This All-American Summer drink may have had its origins in medieval Egypt, according to written evidence. Since lemons and sugarcane are native to India, we can safely assume that the drink may have been consumed there prior to the Egyptian recordings. So stop by, quench your thirst and browse our large selection of used books and gift items. Your purchases provide an ongoing source of revenue for the library so that we may continue to provide you with exceptional programs and services for the entire family.
