Most applications require only a long-form birth certificate (which shows your parent's names) and a valid driver's license or state ID. Passport forms, fees, and more can be found at travel.state.gov (Please call the library and speak with an agent if you have special circumstances. We may not be able to accommodate all applications at the Fair.) Be sure to bring your checkbook: the Department of State does not accept cash or credit cards. Can't come to the Fair? Agents are available daily, Monday - Saturday. Call the library at (717) 560-6441 to make an appointment.

Tell Café Drink of the Month: November

The brilliant colors of early Fall are muting as the earth gives up its bounty and all living things prepare for the long sleep of Winter. As the hours of daylight diminish and temperature drops, health concerns may arise. Teas have a long history of restorative and rejuvenating benefits. Stop by the café for our special this month, an aromatic cup of **Oolong Tea**, a traditional Chinese tea made from the partially oxidized leaves of the same plant used to make green and black teas. It also shares similar health benefits of our more commonly known green and black teas. Its history goes back at least 500 years, and is known to have emerged before the 16th Ming Dynasty. Oolong Tea, also known as wu-long or "black dragon tea" is a smooth, aromatic tea that is less bitter than its more familiar cousin, black tea. It has the highest concentration of essential oils of any the tea types. Wake up your taste buds today with its rich fragrance and aftertaste.
