## Tell Café Drink of the Month: February

February is our sweetest month thanks to Valentine's Day, but bitter cold days filled with snowy forecasts can make it difficult to crawl out of our warm beds. Stop by the Tell Café and warm up with our **Caramel Macchiato**, this month's beverage special. This sweet concoction is made with espresso, foamed milk, and vanilla. It is then topped with a buttery caramel sauce. Traditionally, caramel sauces are made by mixing caramelized sugar with cream. Butter, fruit purees, liquors or vanilla can be added to this mixture to achieve different flavors. This specialty drink will warm your heart and put a smile on your face just in time for this lovers' holiday.
