A. SN Lombardo Capital Zoning Ordinance Amendment

The petitioner owns property located at 208 Bucky Drive in the I-1 Industrial Zoning District and D-A Airport Overlay Area. The petitioner seeks to develop a small conference/event center (5,600 SF) at 208 Bucky Drive that would offer catering but would have no kitchen. The existing building also has a 10,000 SF warehouse. Occupancy for the small conference/event center is expected to be approximately 50 people. There are currently 60 parking spaces of which 10 are currently used for the warehouse. A parking study would be conducted to determine the amount of parking needed.
