- **UCC Board of Appeals Hearing (Permit no. PRBU20.0829)**

The appellant, John Houck of Reese, Lower, Patrick & Scott Architects put forth an Application for Appeal concerning three (3) exterior doors that will access the public pool to be built adjacent to the Activities Center being constructed under the above noted building permit. Per Section 305.4 of the 2015 International Swimming Pool and Spa Code, door alarms are to be installed 54 inches or more above finished floor and meeting UL 2017 listing. RLPS proposed an alternative to the UL 2017 system that is more conducive to the specific use of the facility. The proposed alternative includes a timer controlled local alarm system that will be deactivated when lifeguard staff is on premise.

After deliberation by the board, Connie King motioned to approve the appeal. Steve Kelly seconded the motion to approve the appeal. The Board then voted unanimously (3 to 0) to approve the variance request.
