

AGRICULTURAL FIRE PERMIT CONDITIONS

- ***OPEN BURNING* OF AGRICULTURAL COMMODITIES IN ITS UNMANUFACTURED STATE IS PERMITTED.** (Agricultural commodities include field tree limbs and trimmings, field brush as part of farm maintenance practices and yard waste)
- Burning shall be performed during daylight hours.

Please follow the guidelines below:

1. Refuse, which includes garbage, trash, recyclables, plastics, building materials, tires and other materials are not considered agricultural commodities and shall not be burned outdoors on the premises. (Township Ordinance 2021-16 Section 705.2)
 2. Do not use flammable liquids to ignite fires.
 3. Fire shall be at least 100 feet from any structure.
 4. Constantly attend fire until extinguished.
 5. Maintain permit on site during all burning operations.
- Prior to starting the controlled ***OPEN BURNING***, contact Lancaster County Wide Communications at (717) 664-1180.

Inform County Wide Communications dispatcher of the open burning in Manheim Township, including the street address, date, start / end times of burning, and caller's name and cell phone number.

- Failure to comply may result in correction action as determined by the Manheim Township Fire Marshal or PA Department of Environmental Resources.
