## Tell Café Drink of the Month: August

### ICED CINNAMON DOLCE LATTE

It's been a long summer and you've made it to the home stretch. Now it's time to treat yourself to our invigorating and tasty August special. For those of you who are limiting your caffeine intake, we also offer this in decaf. This scrumptious beverage is made using two shots of espresso, 2% milk, cinnamon dolce syrup, served over ice and then topped with whipped cream and a dusting of cinnamon. For a less calorie packed latte, whipped cream can be omitted. Cinnamon dolce syrup is made from water, brown and white sugar, cinnamon and vanilla extract. What better way is there to perk up your summer day than sipping or gulping this decadent treat!

## Kids and Cultures: Tunes & Tales

Join us for a musical adventure with folktales and songs from around the world. This 45-minute interactive presentation is for children of all ages and includes fun folktales, audience participation, and music throughout. (Ages 4 & up).
