

Quest for Learning Invitation – August 2021

Dear Friends of Quest,

Because of recent developments in the COVID-19 pandemic, the 90th season of *Quest for Learning* will be presented only online, via Zoom, in the fall of 2021.

There will be no in-person sessions at Trinity Lutheran Church. We are excited to offer a full program on the same dates and times that we had originally planned.

If you are interested in participating online in the fall, please send an email from your regular email address with the subject “SEND QUEST INFO” to questlancaster@gmail.com. That will allow us to send you updates on the program and complete information about how to access the sessions prior to the time they begin on September 30th.

We try to minimize costs. Neither speakers nor board members receive any compensation. But our online program does incur costs for printing, mailing and technology. **To cover those costs, we are requesting a minimum \$20 donation from each participant for the fall 2021 session.** When you send us your email to sign up, please also take the time to click on the DONATE TO QUEST button on the Quest website at www.questlancaster.org. There you may donate to Quest for Learning either by credit or debit card or through a PayPal account. Please note that you do not need a PayPal account to contribute using the Donate button if you are using a credit or debit card. Our website also includes information on how to donate by sending a check.

As an option to going to our website, you can also make an express donation via PayPal right now just by clicking [HERE](#)! Whether you donate now or a little later, we greatly appreciate your support.

We hope you can join us on the following Thursday mornings for the sessions below:

Sincerely,
